Good morning

Good afternoon

Good evening

You can greet a person using the following greetings.

If you meet someone in the morning, you can say, 'Good morning.'

If you meet someone in the afternoon, you can say, 'Good afternoon.'

If you meet someone in the evening, you can say, 'Good evening.'

If you meet someone in the night, you can still say, 'Good evening.' But not 'Good night.' Good night is used only when a person is parting from you at night and it is same as saying 'Bye.'
